Sir,

Sub:- Industries - Sericulture - Madras Cocoon Control Order, 1943 - Assistant Market Officers, Kamakarai and Chilukwadi markets - Expenditure on Pay, T.A. etc. - Debit to Filatures - Sanction - Requesting.

Copy at (D) Dlt. p/ of (D)

In G.O.No.Ms.1098, Development, dated 14-6-1943, Government sanctioned amongst other posts, two posts of Assistant Market Officers in the scale of Rs.75-5/2-100 each. These two officers are attached to the two heaviest markets in the Kollegal area, viz., Kamakarai and Chilukwadi. They are the official representatives of the filatures on the committee of the markets and attend to the duties of filature representatives in respect of all transactions at the markets. The expenditure on pay and allowances of these officers which is at present debited to "43.a. Industries - Industries - J.2. Mulberry Cultivation" should more appropriately be debited to the filatures on equal proportion, as both the filatures operate on the two markets referred to above. I accordingly request that Government will be pleased to accord sanction to the apportionment of the expenditure on a half and half basis between the two filatures.

Sub: Industries - Sericulture - Host Market Officers remuneration - Apportionment of Expenditure between the Local Silk Boards and Collegal

Ref From the DSE. No. D3. 1592/45 d. 12.3.45

The two posts of Host Market Officers, referred to in the letter cited, were sanctioned for the proper administration of the Madras Silk worm Cocoon Control Order, 1943. Apparently their duties include other items besides representing the Silk Dealers in respect of their transactions at the two Cocoon markets. If so, the apportionment of the cost on the pay and allowances of these two officers equally between the two Silk Dealers will not be justified. If however their duties consist only in safeguarding the Silk Dealers

exclusively ~~exceptionally~~ [illegible] in these cases should properly be included in the Staff of the respective Dockyards and Establishments on the Naval Staff Establishment, directly accountable to the appropriate Treasury Officer, instead of to the H.S.A. Authorities Dockyards. J.2. Mulberry Cultivation" in the D.I.S.C. is requested to examine the proposals contained in the attached draft in the light of the above remarks and to submit revised proposals if necessary.

No. D.3.1592/45, *dated* 16.4.45. 193

Sir,

Sub: Industries - Sericulture - Assistant Market Officers, Kamakarai and Chilukvadi - Apportionment of expenditure between the two silk filatures at Kollegal.

Ref: Government Memorandum No.16661-D/45-2 Development dated 24-3-1945.

It was originally intended that the two Assistant Market Officers should assist the Senio Market Officers in the running of Kamakarai and Chilukvadi markets. It soon became clear however that their services were required solely in the interest of the Filatures. Accordingly in allotting duties and responsibilities to the staf in each cocoon market, the Assistant Market Officers were appointed as official representative of filatures on the committees of these markets ar entrusted with all the duties of filature representatives in respect of all transactions at the markets.

ENCLOSURES

3-4 above

SPARE COPIES

Government have suggested that if the duties of the Assistant Market Officers consist in representing the silk filatures ~~xx~~ exclusively, each of these officers should properly be included in the staff of the respective filatures and the expenditure on them directly debited to the appropriate head of account. This may be difficult to follow in practice as both the markets are operated upon alternatively for a fortnight each by the Govt. Silk Filature and the Kollegal Silk Filature, In the circumstances it seems appropriate that the total expenditure incurred on their behalf is shared equally between the two filatures. I suggest that my proposal may be approved and orders issued accordingly.

Please see the letter from the D.G.A.C. and the draft Memo. If only a portion of the Pay of the Asst Marketing officers is debitable to the two Sikh Filatures, it would be enough to show that portion in the proforma accounts of the Filatures without any adjustments under 18.5.A."
